

Transcend 1TB portable Hard drive

Availability: Pre-Order

Price: \$549TTD

Short Description

USB 3.1

Description

About this item

- Usb 3. 1 Gen 1 interface with the support of UASP
- Three-stage shock protection system
- One-touch auto backup Button

Lightning-fast transfer speeds

The StoreJet 25MC external hard drive is equipped with the USB 3.1 Gen 1 interface with the support of UASP (USB Attached SCSI Protocol), providing lightning-fast transfer rates of up to 5Gbps.

Excellent anti-shock protection

The StoreJet 25MC features a three-stage shock protection system that meets US military drop-test standards to fully protect data stored on the drive. The three-stage shock protection system includes a silicone rubber case, an internal shock-absorbing suspension damper, and a reinforced hard casing. * Transcend's SJ25MX series passed Free Drop Test with reference to MIL-STD-810G Method 516.6. Certification performed by Intertek, Report No. 180300037TWN-001, dated 2018

Software

Transcend Elite is advanced data management software that keeps important files organized, protected, and up-to-date. RecoveRx is a data recovery utility that allows you to search deep within a storage device for traces of erased files including digital photos, documents, music, and videos.

One touch auto backup

The StoreJet 25M3 is equipped with a one touch auto-backup button that instantly backs up your data with just one press. The button also enables you to reconnect the hard drive to your PC without the need to unplug and reinsert it. Note: Transcend Elite software is required.
