Description

About this item

- ?High Quality Portable Solar Charger: Made of durable and reliable ABS+PC+Silicone material, protects it from rain, dirt and shock / drops. Intelligent security protection, avoid over-current, over-voltage, over-load and short circuit,etc. Featured with compass and 2 bright LED flashlight. Awesome for outside activities such as camping, hiking and other emergency use.
- ?Compatible with Multiple Devices: Compatible with your iPhone, Samsung, HTC, Nexus, Go-pro Camera, Tablets and other USB devices. More than 1000+ recharge lifecycle. Solar Charging Travel Power bank with Flashlight / Carabiner, Very reliable and durable. Provides more convenience in your daily or in your trip.
- ?Dual USB and LED Lights: The solar powered charger has dual USB and powerful LED light.Makes it easy to charge two smartphones simultaneously or a tablet at full speed. 2 led lights can be used as flashlight with Steady-SOS-Strobe mode. Five pilot indicators indicate the status of battery charger timely. Green light on when charging by solar, blue light on when USB charging.
- ?Warmth Tips: External battery charger with solar panel can recharge by solar or outlet. But please do not take solar as main power source. It's subject to sunlight intensity and panel conversion rate, which may take long time to charge. The USB cable in the package is only used to charge the solar charger. It is not

recommended to charge other devices, which may slow down the charging efficiency due to incompatibility.
